Our Strategies remain unchanged

“The Public Bank Group will continue to focus on its core retail banking and financing business whilst maintaining its prudent credit policies, and further improve on its cost efficiency.

The Group expects its strong asset quality to be sustained, and will continue to leverage on the strong PB Brand franchise and its wide and efficient branch network to deliver balance sheet and revenue growth. The Group remains steadfast in its commitment to upholding strong corporate governance and implementation of sound risk management policies to support long-term growth.

With the expectations that global uncertainties and volatility will persist over the medium term, we remain vigilant and focused in balancing growth with sustainable returns. On the service delivery front, we will continue to uphold our superior customer service and delivery excellence.

The outlook of the Malaysian banking sector, in which the Group largely operates, continues to be stable and supportive of growth. Barring unforeseen circumstances, the Group is expected to maintain its earnings momentum and continue to record satisfactory performance in 2012.”
